THE PLOT . . .

The background music has started, everyone has found his place, and the movie of school life begins to unfold as inevitably as time itself. We recognize with warm memories the actors and actresses for they are we — the students of East Henderson. Autographed by our thrills, our triumphs and our tears, each day in our school life becomes another scene and part of the thickening plot — a plot portraying the molding of character, mind, and ideals.

— SPRING —
'82

EHHS GYMNASTICS

The gymnasts of East Henderson High School work hard the year 'round to produce an effective display of their talents in the Spring. The '82 Spring show was entitled Sun Fun and was a take-off on the beach featuring floor routines, dance routines, routines on the apparatus, and comedy. Under the guidance of coaches Wayne Morgan and Louise Whitmire, Sun Fun was a great success.

Mike Woodard blasts out of a bunker.

Coté Blythe hits a 230 yard drive.

Russell Muir knocks it close.

Francis Skinner watches on.

Drew and Mike line up a putt.

Cote Blythe saves par.

The 1982 golf team was the best in East High history. The team won the Big Mac Championship by 17 strokes and won Sectionals by 3. The team was led by last year's seniors, Jeff Robinson, Phil Nickell, and Phillip Walker. Returning are juniors Russell Muir, Côté Blythe, Mike Woodard, Francis Skinner, Drew Wittman, and Roy Bibb. The team was coached by Coach Williams. The team would like to thank Mr. Leonard Drake for his guidance and pointers throughout the season. Also, a special thanks to Crooked Creek's Pro, Marc Gooden, for the use of the course.

Perfect form is demonstrated by Russell Muir.

Drew Wittman strokes one towards the hole.

GRADUATION

Remember back in first grade,
We thought we were so old,
The day we had show and tell
And brought in some "fool's gold."

Remember a few years later,
We thought we were divine.
We teased the "first grade babies",
At the ripe old age of nine.

Remember back in sixth grade,
We looked at HIM with a sigh
And dreamed of all the coming days
In the huge new junior high.

Now it's eons later
As graduation day draws near.
We think of bittersweet memories
And remember yesteryear.

Remember the hellos and laughter,
Talk over all our fears,
Reflect on learning and sharing
Before the goodbyes and tears.

S U M M E R '8 2

Summer . . . Everyone loves to think about the summer, whether to remember the past summer or to look forward to the next one. It's a great time of year for one main reason, NO HOMEWORK!! Besides that however, it's a great time for going on vacations, earning extra money, sleeping in, having fun, swimming, getting a tan, and getting fubar. It's also a time for learning new things and meeting new people. This summer Eagles did just that. Our cheerleaders spent time this summer working hard at cheerleader's camp but they still found time to have fun and make lots of new friends. Susie Justus works hard all year long with her horses and all of that hard work payed off this summer when she brought home more ribbons and trophies than ever before. Mimsi Betz, Lori Brooks, and Blaise Mooney attended a month long engineering institute at U.N.C.A. where they learned the basics of various fields of engineering among other things. Lisa McEntire, Cathy Raymond, and Susan Warner all attended governer's school for six weeks this summer. At the end of her six weeks Cathy returned home to a new sister, Elaine Duigenan who arrived here from England on July 2. This summer was busy for everyone and it was with some regret that we set our alarm clocks and bought winter clothes for one more year of school.

Lunchroom staff (l-r) S. Pace,
M. Justice, E. Case, D. Swann,
J. Huggins, R. Ward

Heartfelt thanks to these ladies who cheerfully put up with our guff and prepare our food every day.

These special teachers are doing a fine job of helping students at East High with special problems. Miss Koechlin and Mrs. Rhodes are a part of our fine staff. Mrs. Hamilton was not present for the picture.

Bus Drivers (l-r) L. Musser, B. Case, C. Mintz, E. Sherman, B. Shealy, T. Scott, D. Bowlin, J. Bivins

Custodian Staff (front row l-r) S. Hicks, J. Buckner, R. Lane, (back row l-r) C. Page, D. Orr, C. Corn, G. Kitchen

What would we do without our custodial crew and bus drivers? Our school has that look of class that shows that we have custodians who care. Everything always looks so neat, clean, and pretty. Our fine crew of bus drivers are very dependable and always get us to school safely.

WHAT IS A FOOTBALL PLAYER?

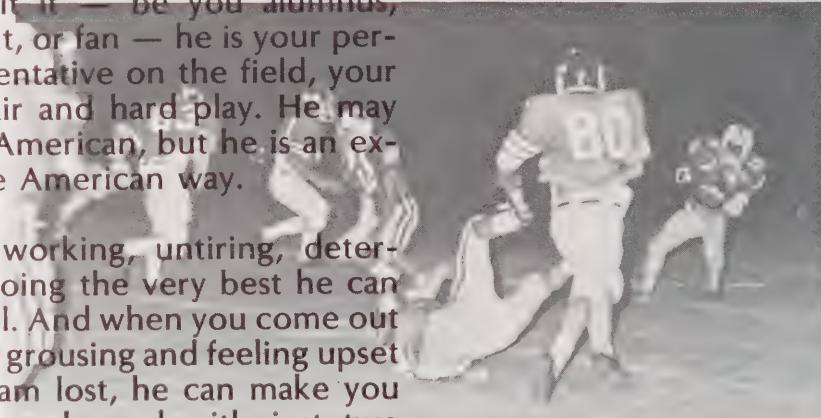

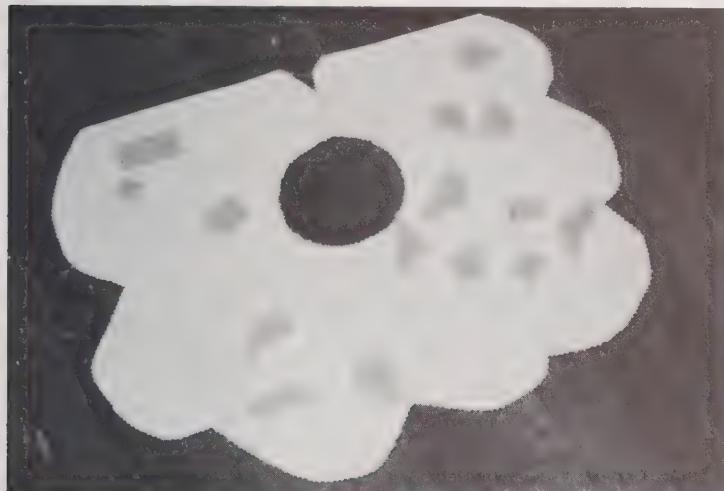

Between the innocence of boyhood and the dignity of man we find a sturdy creature called a football player. Football players come in assorted weights, heights, jersey colors, and numbers; but all football players have the same creed: to play every second of every minute of every period of every game to the best of their ability.

A football player is a wonderful creature — you can criticise him, but you can't discourage him. You can defeat his team, but you can't make him quit.

You can get him out of the game, but you can't get him out of football. Might as well admit it — be you alumnus, coach, parent, or fan — he is your personal representative on the field, your symbol of fair and hard play. He may not win All American, but he is an example of the American way.

He is hard working, untiring, determined kid doing the very best he can for his school. And when you come out of a stadium, grousing and feeling upset that your team lost, he can make you feel almighty ashamed with just two words — "We Tried."

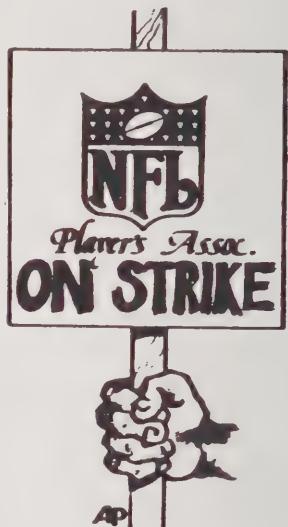

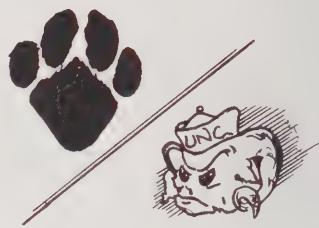

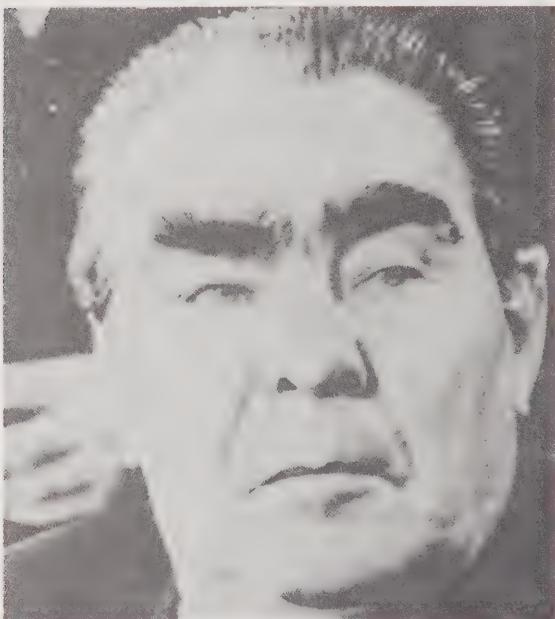

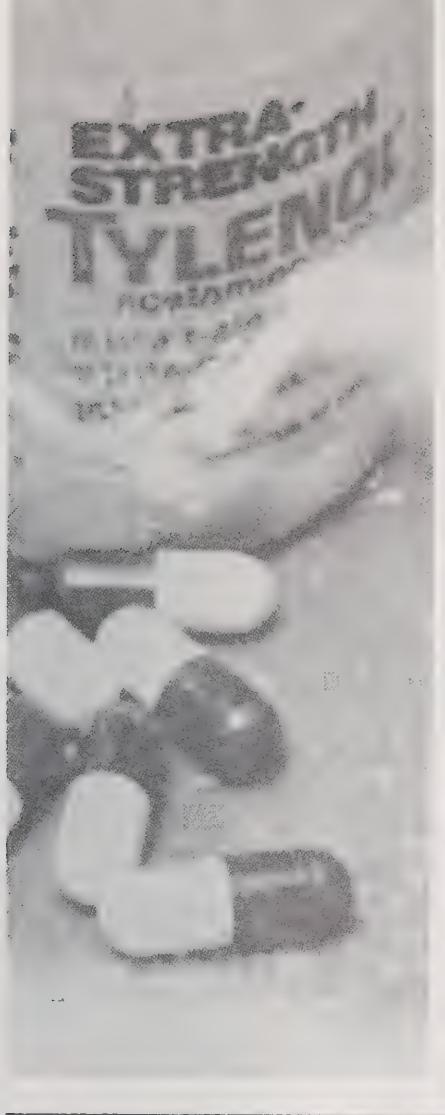

CURRENT EVENTS

*St. Louis
Cardinals*

During the year of 1982 there has been a variety of events. The world mourned the deaths of Grace Kelley and Leonid Brezhnev. Residents of the U.S. were shocked at the series of deaths that resulted from poisoned products. Fascination arose with the production of the flim, E.T. and Pac-Man fever raged throughout the country. The events of 1982 will remain in everyone's mind for their diversity and clarity.

FOR MEMBER'S ONLY???

No, there's no application for membership. It's the way the students at East dress: Designer jeans from Calvin Klein, Chic, and Gloria Vanderbilt. Animals on your shirt??? Yes, definitely Izod's Alligator, Ralph Lauren's Polo player and Saddlebred's horses. Top all that off with a Member's Only jacket and you're definitely in. Of course there are the old favorites in every crowd: Levi's jeans, flannel shirts and crew neck sweaters. Shoes range from Nikes to Bass, Boots to Duck Shoes and if you feel like you don't dress the way you want check out the "Preppy Handbook."

Izod — Polo — Calvin Klein — Jordache — Aigner — Bass — Lee — Chic — Duckhead — Members Only — Gloria Vanderbilt — Frye Boots — Class Rings — Sporto Duck Shoes — London Fog — Monogramming — Wool Skirts — Oxford button downs —

**Crew and V-neck Sweaters — Saddlebred — Deck Shoes —
Docksides — L.L. Bean — "Preppy Handbook" — Cheeno's —
Rag Sweaters — Izod — Polo — Calvin Klein — Jordache —
Aigner — J.G. Hook — Bass — Lee — Chic — Members Only**

JAN HVIID

My name is Jan Hviid and I'm from Denmark. I'm here as an exchange student and only staying this school year. One of the hardest things for exchange students is to get accepted as one of the others. I feel that people don't think of me as an exchange student, but one of them. The thing I probably have enjoyed most is football. In Denmark, we don't have the play, so I used to play soccer. But football is for sure the thing I will miss most and of course, all my friends. You have all been so nice to me and that really helped a lot to make my year better. For that, I'm very grateful to everybody at East High. — Jan Hviid

Jan is an honorary member of Student Council, NHS, and AFS. He also excelled in JV football. Jan is an outstanding student. He truly fit in from the first day he was here. Jan has become a special friend to each of us. We shall all miss him, he will always remain in our thoughts.

Eighteen year old Elaine Duigenan from Birmingham, England resides in Dana with her host family, the Raymonds. Elaine is here on a one year scholarship from AFS. She is an honorary member of NHS, Student Council, AFS, UN club, and Adv. Chorus. Elaine also participated in our homecoming festivities. She enjoys handcrafts, collecting things, singing, dancing, writing letters, and going to see plays. Elaine and her host sister took a mime class with Bryan Van Thompson at Blue Ridge Tech. Back home Elaine is a graduate from an independent all girls school where she was a weekly border. On her return she will attend Hendon University. Elaine has been a wonderful addition to our East High School. We have each grown just by knowing her.

LIFE ON CAMPUS

ALMOST MOVING

8:30 MONDAY MORNING

MORE THAN JUST A BALLGAME . . .

The main event of the night, however, was the Homecoming game, as the Eagles hosted Enka's Jets. At half-time, the Homecoming court was presented as selected tunes were performed by the band. **Tammie Ward** was crowned Homecoming Queen 1982 by 1981 Queen, Rhonda Morgan. After the game, many Eagle fans moved into the gym and danced to the sounds of Jungle Jack. As we danced the last dance of Homecoming '82, we took our memories of that dramatic, mystical night into our hearts to cherish.

Tammy Parris is a junior representative escorted by Rodney Miller. Tammy is the Junior class president and is in Interact.

Vicki Huggins, escorted by Mark Garren, is a junior representative. Vicki is a Varsity cheerleader.

Susan Ballard, a sophomore escorted by Bo McCall, is in JV cheerleading and Student Council.

Mitzi Brown, sophomore escorted by Barry Stroupe, is in JV cheerleading, band, and Student Council.

The stage was set for Homecoming '82 as the excited Eagle fans rose to their feet to get a good view of the half-time ceremony. They craned their necks to see the beautiful candidates enter the stadium in flashy sports cars. The atmosphere was tense as each candidate was presented to the crowd. Who would be the queen? Whispers of speculation filled the crowd, and the excitement mounted. And then, just when we felt that we couldn't stand the suspense one instant longer, the queen's name was announced! "The Homecoming Queen for 1982 is . . . TAMMIE WARD!"

Pam Robertson (President) and Yvette Lively (State Recreational Leader and President District 8) were representatives to the National Convention, they paged to the Governor, Mr. Jim Hunt, and also had time to keep their organization on it's feet in firm soil. FHA HERO attended a District Leadership Workshop, they had an exhibit in the Western North Carolina Fair and received 3rd place. In the Apple Festival Parade was the awesome float and they sold apple products on Main Street as a fund raising project. Favors include visiting rest homes, serving donuts and lunch, making hot dogs for Boosters Club for all home football games, jr. class rummage sale, refreshments for College night and lunch for Local Directors of Vocational Education for District 8. WHY ARE THERE NO PICTURES ON THIS PAGE?

I've been on the yearbook staff for two years now, and every year producing the club section gets harder. Why? Too few groups are honestly committed to do what the club stands for. But, then again, what do the clubs stand for? When a staff member asks a club officer what the purpose of his organization is he answers, "I don't know," it's time for an assessment. Out of twenty-four groups that fall under the category of clubs and organizations, fewer than one-third actively pursue clearly defined goals. Is the club an idea whose time has come — and gone? Is it a steam engine in a diesel age? As a yearbook staffer, I've been frustrated when we try to bring life to a barely breathing genre called "organization", many of which lack either life or organization. Sometimes, clubs expect several pictures and good coverage from us, but does nothing. It's a perplexing problem alright. But just what is the problem? Maybe time is part of the answer. A really active club requires a great deal of time commitment from all members, particularly officers. And, as all students can verify, a successful club has an active advisor who devotes many hours to the group's projects. In an age of working students and increasing demands on educators, time has become a precious commodity that we hoard rather than give freely. Perhaps direction is the other half of the problem. Does every club have a clear direction? Are there enough clubs directed at special interests? Here I am, trying to find an answer, and I'm asking all the questions. But they're valid. Do our clubs meet student interests? Also, how many groups cater to hobbies? The answer is, regrettably, one, maybe two. Maybe what it all reduced to is the fact that our concept of a club is not very clear. The majority of our organizations have only one, if any, major projects a year, sporadic meetings, limited involvements and vague purposes. As one who tries to discover the positive activity of East's student organizations each year, I find the overall view less than encouraging. Where have all the clubs gone — the really committed, active ones? If they are so important, why doesn't someone make them work?

These students strive to improve the character of the yearbook and they succeed in fulfilling the maximum functions: historical record, reference book, nostalgic and enjoyment, educational experience, public relations, and permanence.

A dull year is enhanced by a student's involvement. Students also obtain valuable experience in dealing with people and learn responsibility by attending workshops, selling ads, and meeting deadlines. Participating in activities adds to each student's personal and social growth, offering a chance. To assume leadership roles, preparing them for later life.

A test in Annual Staff!?

The '82-'83 Marching Band and Concert Band seasons were a great success. Marching band is usually the most exciting part of the year, but when concert season arrives, work and rehearsals have to be in order. Playing in a concert band demands more musical talent and dedication from the musician.

We have an annual Christmas and Spring concert and we always play at graduation. This year we participated in the North Carolina All-State Band, and North Carolina Honors Band Auditions, just as we have every year.

The band has shown improvement each year, but we have improved more this year than ever, thanks to the diligent work of Mrs. McClure and Mr. Lanning. They have bettered us as musicians and taught us a great deal. Speaking for the band, especially the Seniors, I would like to thank them for all their hard work and dedication. I would like to wish them the best of luck in the years to come.

CROSS COUNTRY

The members of this year's track team are: Eldon Rollins, Andy Burrell, Archie Case, Jim Howard, Kevin Wickum, James Brookshire, Madonna Way, Michelle Baker, Chuck Chambers, Drew Wittman.

Jim Howard

This has been a good year for Cross-Country. East high had its first girls' team, and both teams fared well in Conference Meets.

For the girls, Michelle Baker finished 6th in the Conference and placed 15th in a field of 67 at the District Meet in Morganton. Madonna Way [also a member of the girls' varsity basketball team] had a good season, finishing 13th in the Conference. More girls are expected to be part of the team next year.

An experienced boys' team are expecting an even better season next year since there are only two seniors on this year's squad. Both Jim Howard and Kevin Wickum played valuable roles in the maturity of this year's team.

Eldon Rollins, Jim Howard, and James Brookshire, pacing each other for the number one position, ensured East of a strong finish in each of this year's meets.

Jim Howard and Michelle Baker receive this year's Most Valuable Runner awards, both providing leadership and maturity for the team.

Jim Howard provided the cohesion, the team concept, and the attitude necessary in training and in competition.

Michelle provided the guts and patience necessary of any good runner to become a winning runner.

JUNIOR VARSITY FOOTBALL

This is the first year that East High has had a JV football team. This gave all players a chance to show the coaches what they've got. And boy did they show us! Next year they will be a big asset to our Varsity team.

VARSITY FOOTBALL

Senior Football Players — l-r Mark Justice, Mark Lynch, Todd Currie, Tony Garland, Chris Lamb, Jerry Bivens, Lance Crowder, Dwayne Capps, Tim Kappler, Linden Musser, Charlie Stepp, David Taylor, Jeff Anders.

We would like to recognize the following who received the honor of making All-Conference. L. Musser — Defensive Back; C. Stepp — Kicking Specialist; T. Kappler — Defensive. We would also like to recognize the honor of making All-County — C. Stepp — Utility; T. Kappler — Tackle; J. Bivens — Guard.

The 1982-83 Eagles choose to handle defeat by searching for and finding the positive elements of it. Although dwelling on the affirmative does not eliminate the pain of losing, it does make the suffering a little easier. The victories may be few, but the personal triumphs are many. The players are a family, and just like any family, they not only share the excitement of winning but also the pain of losing. The 1982-83 Varsity Football players may not win a legion of games, but they are achieving a higher plateau of success; they are gaining unforgettable friends. Through understanding, motivation, and optimism, they are learning to be winners in the face of adversity.

CHEERLEADERS

THEY NEVER STOP SMILING!

The Varsity Cheerleading Squad: Pam Thompson — Captain, Teresa Hill, Anne Hydrick, Vicki Huggins, Tina Cox, Missy Ward, Melanie Shipman, Blaise Mooney, Rodney Miller, Jeff Brandt, and David Soileau.

The 1982-83 Varsity cheerleading squad represented the Football and Basketball team well this season. Long hours of practice and painting run-throughs became a weekly task for these cheerleaders. The Varsity squad attended camp along with six hundred other girls at Furman University. They received three superior ribbons and one excellent ribbon. They also won the spirit stick twice and took it home on the last day. They were chosen to compete against five other top squads for the award of excellence. East High appreciates the hard work and effort you have contributed to our school this year. We would like to thank Krista Merchant for helping us when we needed her.

VARSITY BASKETBALL

The 1982-83 basketball season was not the best East has ever seen but it was certainly not the worst. Under the guidance of Coach Poston and Assistant Coach Sgt. Hand the team put in long hours of hard work. Practice and team spirit prevailed throughout the entire season.

CRAZY HOG

The Wrestling War Eagles had a very successful season, with a lot of work from all the members of the team. With special efforts from the sophomores and juniors. War Eagles directed by Coach Ireland.

They entered a quad tournament which consisted of four schools and placed second. A big thanks to Kim Pace and Kristy McAbee.

A CHALLENGE TO EXCEL

East's athletes are an important part of our school program. Each athlete must set himself apart from the average student and do a little more than is required because he is a special person . . . he is one of the few who made the team.

Our athletes work hard as teams and individuals. In the process, they gain experience in both victory and defeat — experience which creates a bond among the team.

A new attitude and atmosphere was present in and around the Highlander. When school started the staffers got together and promised themselves they would dedicate time to the yearbook and meet each deadline. Individuals, working as one, seemed to be the name of the game. The road was not smooth but then, "Greatness is not attained merely by speaking of it, but by much hard work, long hours, and the will to do one's best."

Special thanks to:

The Faculty of East Henderson for their cooperation throughout the entire year.

Mrs. Andi Johnson for her support and great advice.

Mrs. Gray, my advisor, for all the times we shared. I can finally say determination pays off.

Highlander Staff for your loyalty, good ideas, and hard work. Each of you who worked should be proud.

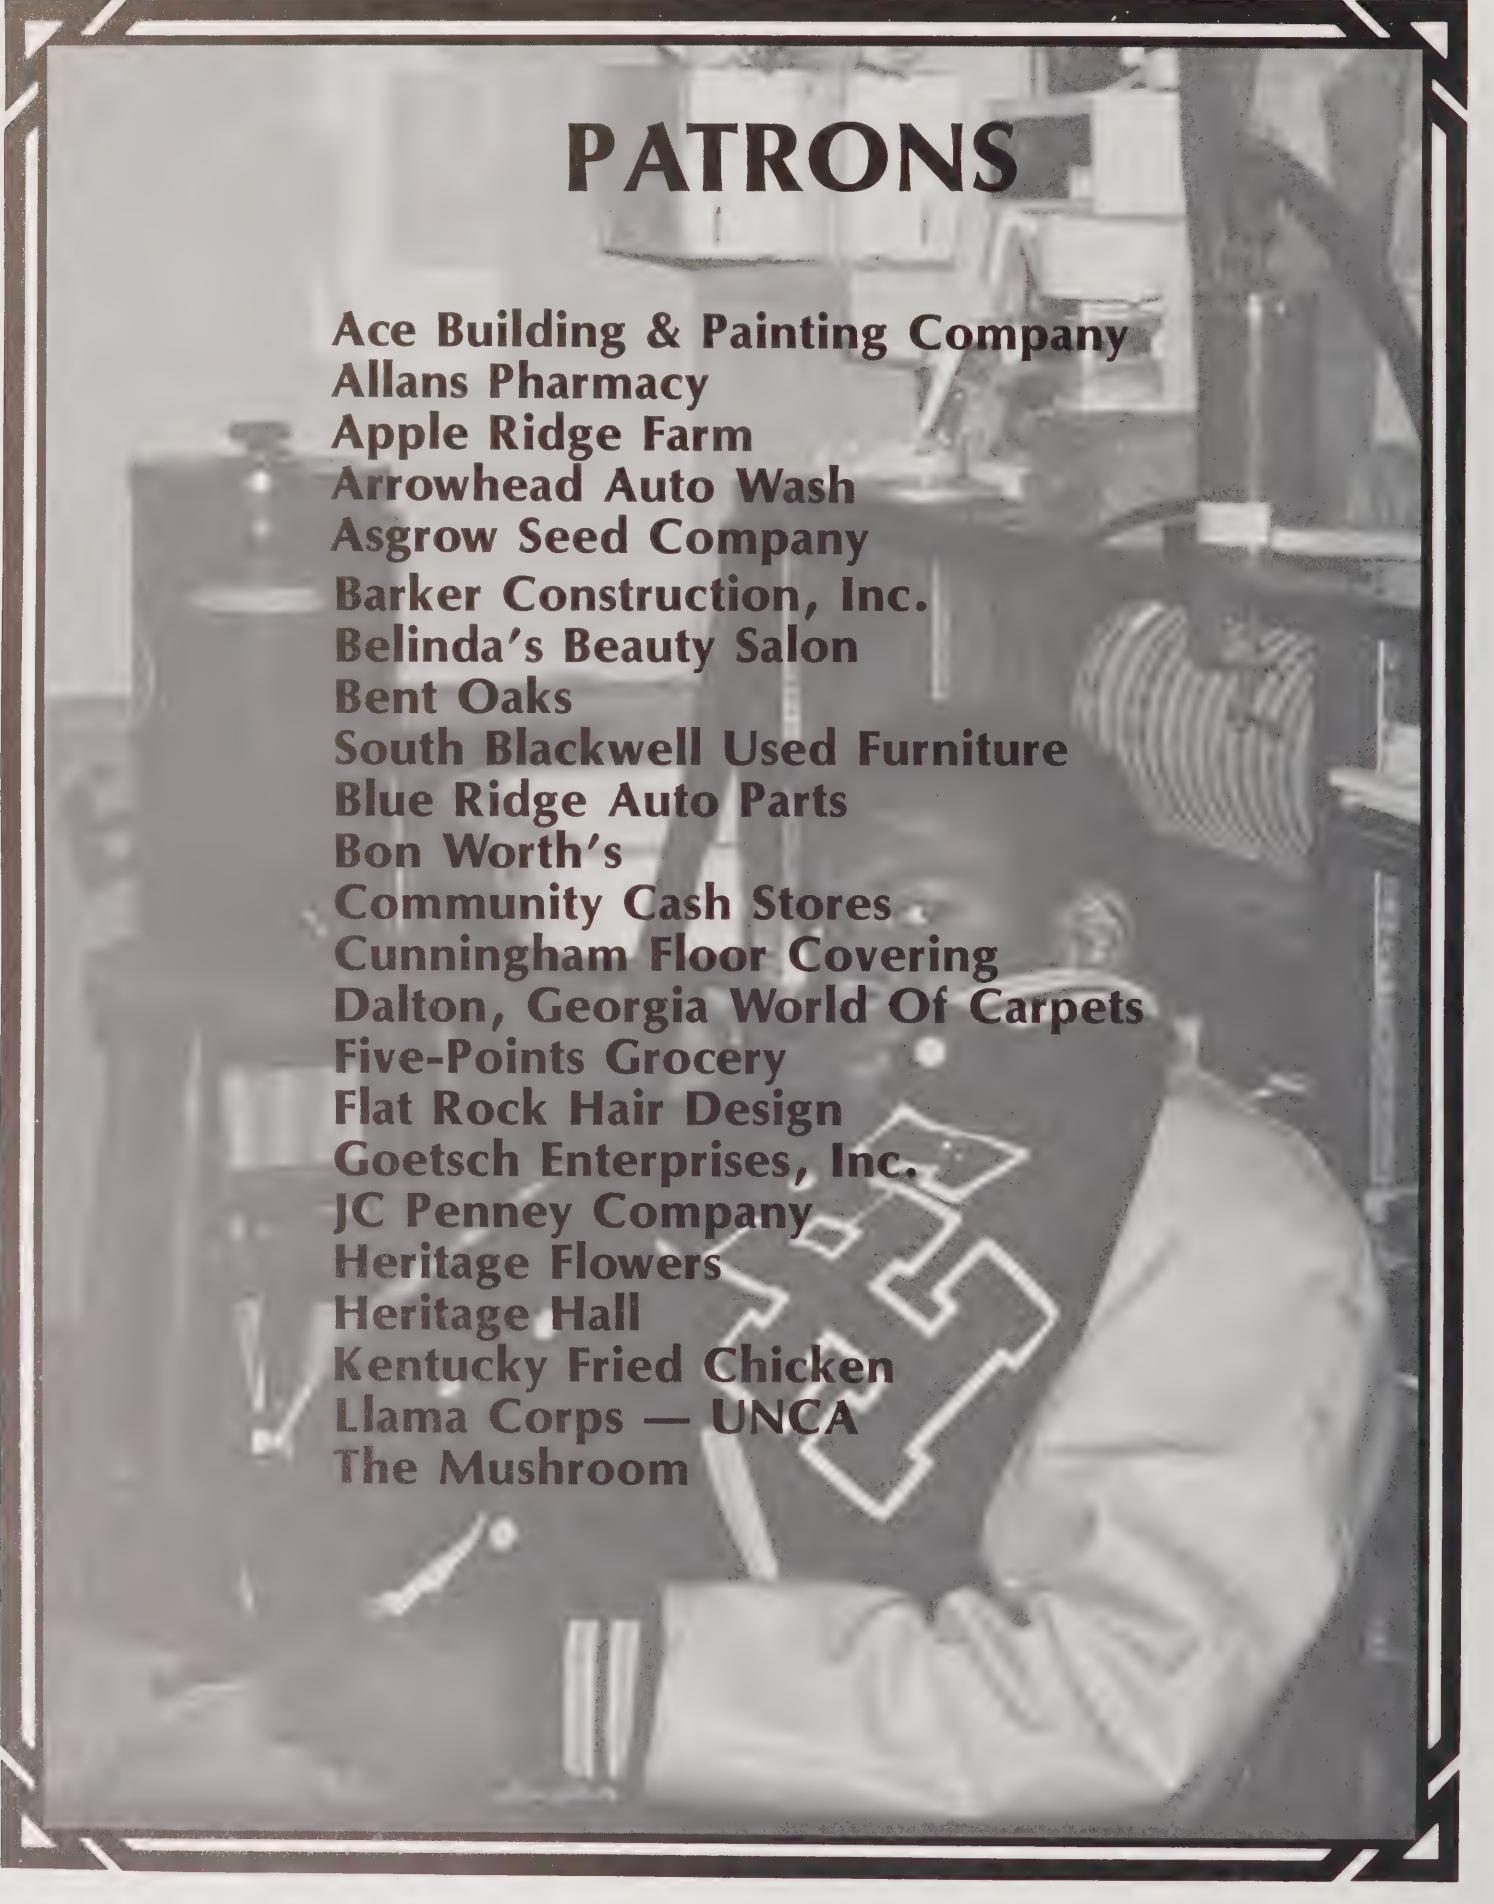

My friends, I thank for their loving care, patience, help, and understanding — I love you.

My Extra Special Thanks to GOD, the Father, for combining the above talents and the ability to use them. — Love, Renee
